BLACK GARLIC BAR PHILOSOPHY

At Black Garlic, time is our quiet
mentor shaping, softening, and deepening
every element

In this warm darkness, cloves surrender
their bite and reveal depth. They soften,
darken, and caramelize becoming sweeter,
rounder, and far more comple

They do not rush
They simply evolve

Every beverage we serve follows
this same philosophy

At Black Garlic, our drinks reflect a
philosophy of contrast and transition
bitterness easing into sweetness,
earth warming into fire, freshness
finding balance through fermentation

These contrasts are not opposites
they are companions. Together, they create
nuance, resonance, and a quiet sense of
mystery that defines who we are

Here patience is labor
Here transformation is the recipe
This is Black Garlic

SIGNATURE COCKTAILS

BLACK MIST CITRUS | 6 K

Black Mist Citrus is inspired by the transformation of black garlic—a reminder that flavor is shaped not only by ingredients, but by time and intention.

It opens with fresh citrus, floral notes, and clean botanicals. With each breath, a soft umami mist emerges—subtle, patient, unforgettable.

A balance of light and shadow—crafted for those who appreciate nuance over noise

odka Komu | Elderflower liqueur | Fermented Spice Honey
Yuzu | Mist Black Garlic Saccharum

MOONFADE | 6 K

Inspired by the delicate balance between intention and transformation—the guiding philosophy of Black Garlic Bar.

Botanical gin sets a foundation of clarity and structure, while tepache and brandy umeshu unfold a quiet, layered complexity shaped by fermentation and time. Vivid passion fruit acidity brightens the palate, gently countered by a restrained bitterness that restores harmony and composure.

The cocktail opens luminous, like moonlight, before gradually fading into a soft, contemplative depth.

Rooted in ancient Japanese tea ceremonies, matcha has long symbolized harmony, respect, purity, and balance. Stone-ground from young green tea leaves, it was cherished by monks for its ability to quiet the mind while gently sharpening focus.

Ceremonial Matcha
Usucha – Thin Whisked Matcha

A traditional Japanese preparation of finely whisked matcha, resulting in a light, smooth, and gently frothy tea. Made from tender young tea leaves, Usucha reveals a clean vegetal aroma, delicate umami, and a refreshing finish. Classic, balanced, and well-suited for those seeking an authentic matcha experience.
